

NEPOMUCENO 2021

IGT benaco bresciano rosso BIO

GRAPE VARIETIES

70% Merlot, 15% Rebo, 15% Marzemino.

DESCRIPTION

Deep opaque ruby red with purplish highlights. A complex nose reminiscent of wild red berries, herbs and spices. On the palate it displays the powerful character of a ripe Merlot, echoing the sensations of the nose along with mouth-filling softness.

SERVING SUGGESTIONS

Stewed and braised meats, game and mature cheeses.

YIELD PER HECTARE

50 hl

HARVEST

Picked by hand from mid-September and mid-October.

VINIFICATION

Macerations and fermentation with indigenous yeasts for 18 days in stainless steel vats with daily punching down of the cap and "dèlestages", constant control of the temperatures. Malolactic fermentation and maturation in barriques for 30 months.
